3.10 AFTERCARE

Aftercare is the time period during which the Vendor is ~~tracking~~ monitoring to ensure that a permanent placement is viable so that the child will not enter care. If a child must re-enter care during this time, it will be at no additional cost to the Department. The period of aftercare established by the Department is three (3) months. Proposals must indicate how aftercare will be accomplished and what services will be provided during the aftercare period.

~~4.2.5.1.2~~ References

~~The proposing Vendor must provide a minimum of three (3) references for which it has performed similar services. These references may be contacted to verify Vendor's ability to perform the contract. The Department reserves the right to use any information or additional references deemed necessary to establish the ability of the Vendor to perform the conditions of the contract. Negative references may be grounds for proposal disqualification.~~

~~For each reference, the Vendor must provide: company/agency name of the reference; location where the services were performed (city, state); primary and secondary contact name, title, telephone number, and e-mail address; a brief description of the project; description of the Vendor's role in the project; and the start and end date of each project.~~

5.0 COST PROPOSAL

Vendors must include a proposed ~~daily rate~~ monthly rate to perform the services and specify the number of slots to be provided. The total cost of the proposed program to the Department would be the number of slots proposed per month times the days of the month times the daily rate.

The provider should provide an explanation of what items make up the costs of their program and % of those expenditures to total costs.

The fixed rate for this RFP is a maximum monthly rate of \$4258.80 for out-of home services for one child, with additional add-on rate for out-of-home placements for siblings of \$2129.40. For in-home services only, the maximum monthly rate is \$2433.60
